Ireland, Fishing and Relaxation!

An undiscovered gem of the Emerald Isle, County Donegal, the most northern county of Southern Ireland. Nestled in its rugged beauty is a wonderful Estate, where we have great pleasure in offering you a Luxury Package for a Salmon Fishing trip second to none. You will spend 3 days fishing two primary spate rivers, the Finn and the Reelan, and one of the strengths of this fishery is that both runs of spring Salmon and summer Grilse are very strong, making for excellent sport during the full season. The River Finn, and its tributaries have long been considered one of the most prolific salmon fisheries in Europe. The streamy, rocky pools, relatively shallow water and free rising nature of fish allow for the use of floating lines, with the option of sinking tips, throughout the entire season.

The Estate controls the fishing on the top 38km of the River Finn and its primary tributary, the River Reelan. Both rivers, and several key feeder streams, abound with exceptional spawning habitat and allow for fully natural, unassisted restocking.

The package consists of 4 night's accommodation, with 3 days fishing - £1010.00 per person includes:

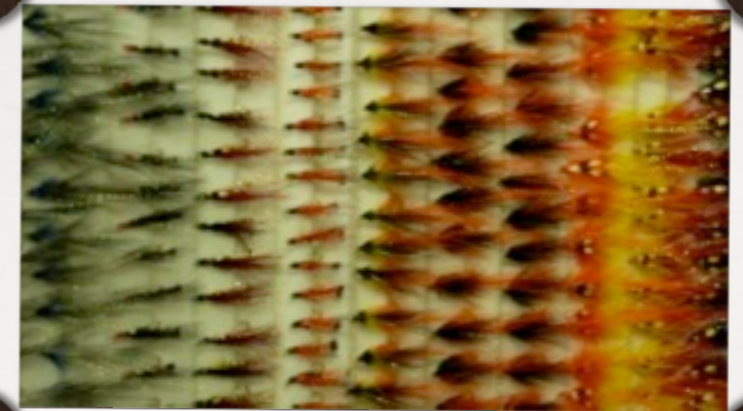

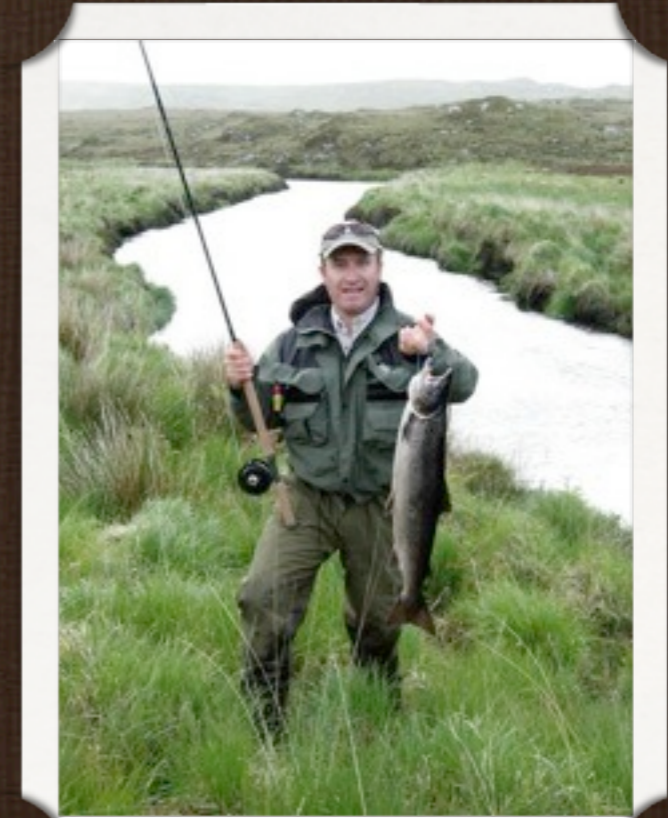

- Pick up at Londonderry Airport
- Full Board at the Lodge
- Fishing permits for the Private Beat
- Return journey to Londonderry Airport.
